

Rob Ardelan

Rob began performing in the pageantry arts in my hometown of Saint Clair Shores, MI, playing with his high school marching and concert band. He quickly transitioned to the color/winguard, finding a greater opportunity to express himself in a way the trumpet, mellophone, and French horn did not allow. Having found a niche, and an activity that created so many positive experiences, he knew that growing along side the activity and creating new experiences was his calling.

Outside of the scholastic experience, he continued to march with independent organizations, including Interplay Winguard of Grand Rapids, MI, Zydeco Colorguard of Dayton, OH, and the Bluecoats Drum & Bugle Corps of Canton, OH. Throughout which, had had the pleasure of learning from, and working with, some of the greatest minds the activity has to offer.

Over the years, he has spent many seasons teaching and designing for scholastic and independent programs throughout south-eastern Michigan . With education always being the most important goal, he has worked with BOA and WGI semi-finalists groups ranging all classifications and several state champions.

Rob lives north of Detroit, in Madison Heights, MI. Rob currently teaches Chippewa Valley High School, Lake Orion High School, and Ancora Open of Livonia.
